SOFTWARE DEVELOPER

Fullstack Development | Web Development | Code Integration

Experienced fullstack developer and entrepreneur with a proven track record of building scalable web applications and leading development teams. Specializes in full-stack development using JavaScript/TypeScript, React, Node.js, Python, and modern frameworks, with additional expertise in 3D graphics (Three.js) and mobile development (React Native).

Technical strengths include architecting robust APIs, designing efficient databases, implementing secure payment systems, and creating interactive user experiences. With a background in mechatronics engineering and ongoing studies in robotics, brings a unique blend of software and hardware expertise to solve complex technical challenges.

Demonstrated ability to lead development teams, mentor junior developers, and deliver high-quality software solutions from concept to production. Committed to innovation, best practices, and building products that drive business value and exceptional user experiences.

WORK EXPERIENCE

Hoodskool / Hoodhub – *Leninsky Avenue, 146, 117198, Moscow* 05/2023 – Present

Senior Developer & Lead Developer

- Led the development team in building and maintaining the company's main website and e-commerce platform, ensuring high performance and scalability.
- Architected and implemented a full-featured e-commerce store with secure payment processing, inventory management, and user authentication systems.
- Mentored junior developers and conducted code reviews to maintain code quality and best practices across the development team.
- Optimized website performance, improving load times and user experience through efficient coding practices and modern web technologies.
- Integrated third-party APIs and services to enhance platform functionality and streamline business operations.
- Implemented responsive design principles to ensure seamless user experience across desktop, tablet, and mobile devices.
- Managed version control, deployment pipelines, and production environments to ensure smooth releases and minimal downtime.

Sellavi Inc. – *1st Magistralny Blind Alley 5A, 123290, office 702D, Moscow* 07/2022 – 10/2022

Developer Intern

- Engaged in supporting the development team by contributing to the creation of robust and efficient code for web applications. Collaborated on various front-end and back-end tasks to ensure seamless functionality and an enhanced user experience. Involved in debugging, problem-solving, and implementing code improvements. Aided in the design and implementation of features, consistently adhering to best practices in coding and software development. Eager to learn and contribute to the success of the development team by actively participating in challenging projects as a Junior Fullstack Developer. Contributing to the development and refinement of sales strategies.
- Actively seeking opportunities for learning and skill development.
- Assisting in administrative tasks such as designs and managing sales documentation.
- Conducting market research to identify potential customers and market trends.

Freelance Web Developer 06/2019 – Present

Self-employed

- Worked with clients worldwide to create exceptional websites, delivering high-quality solutions tailored to their unique needs.
- Developed and maintained dynamic web applications, ensuring optimal performance and user experience.
- Leveraged technologies such as React, Node.js, Flask, and Three.js to build interactive and scalable web solutions.
- Provided end-to-end project management, from initial consultation to final deployment and ongoing support.
- Collaborated with designers, content creators, and other developers to deliver cohesive and visually appealing websites.
- Implemented responsive design principles to ensure websites function seamlessly across various devices and platforms.
- Gained a reputation for reliability, quality, and customer satisfaction through consistent delivery of exceptional work.

EDUCATION

MIREA Russian Technological University – *Vernadskogo Avenue 78c4, 119454, Moscow*

Bachelor of Science – Mechatronics Engineering and Robotics, July 2025.

Zamani College Kaduna – *No. 1 Maccido Road, Malali, Kaduna.*

September 2013 – July 2019.

ACADEMIC PUBLICATIONS

Optimizing Rubber Seed Oil Extraction for Biodiesel Production Using Machine Learning Tools: A Comparative Study of Response Surface Methodology and Artificial Neural Networks - *Journal Publication* 2025

- DOI: 10.48309/PCBR.2025.510277.1399

Optimizing Biodiesel Yield and Fuel Properties from Waste Avocado Oil: A Comparative Study of RSM and ANFIS Machine Learning Models - *Journal Publication* 2025

- DOI: 10.48309/pcbr.2025.495665.1389

PROFESSIONAL SKILLS

- **Languages:** JavaScript/TypeScript, Python, C++, PHP, HTML5, CSS3
- **Frontend:** React.js, Next.js, React Native, Three.js, TailwindCSS, Framer Motion
- **Backend:** Node.js, Express.js, Flask, Laravel, RESTful APIs
- **Databases:** MongoDB, Firebase, Redis
- **Cloud & DevOps:** AWS, Google Cloud Platform, Docker, Linux , Firebase
- **Specializations:** Full-stack web development, mobile apps (iOS/Android), custom templates for emails, geospatial services, mechatronics/robotics
- **Leadership:** Founder & CEO of Residity real estate platform, technical team management, project architecture
- **Tools:** Git, VS Code, Postman, Figma integration

VOLUNTEER EXPERIENCE

ZOSA Zamani College Kaduna - 2019 – PRESENT

Non-Profit Organization

- Planted seeds for future plantations in farmlands.
- Supervised three teams of five people to ensure successful completion of project.

Zamani College Kaduna – *No.1 Maccido Road, Malali, Kaduna* 2013 - 2019

- Worked as a volunteer youth mentor to empower and support children.
- Developed productive after school activities for young adults to reinforce positive learning.
- Donated cloths and food to orphanage homes

AWARDS AND HONORS

Opendoors Olympiad Award Winner – *Opendoors Olympiad* 01/2024

- Recognized for outstanding performance in the international Opendoors olympiad competition.

BEA Scholarship Award - *Nigeria* 06/2020

- Completed and won a scholarship to study in Russia

PROFESSIONAL MEMBERSHIPS

- Member of Association of Nigerian Scholarship Students in Russia (2020 – PRESENT)
- Member of Association of Nigerian Scholarship Students in Moscow (2020 – PRESENT)
- Member of ZOSA, Zamani College Kaduna (2019 – PRESENT)

LANGUAGE COMPETENCIES

- English: native language
- Russian: Advanced (speaking, reading, writing)
- Arabic: Advanced (speaking, reading, writing)
- Hausa: Fluent (speaking, reading, writing)
- Fulani: Beginner (Speaking)
